Not a School

Gayathra Karannagoda

has completed the following course:

BUILDING HUMAN CONNECTION IN A DIGITAL WORLD **SAMSUNG**

In this online course you developed practical skills and technology know-how to make more meaningful connections online and tackle isolation. You reflected on how you use technology to connect digitally; identified tangible actions that can contribute to solve this issue; discovered how to communicate effectively, collaborate with others, think critically and formulate a creative solution. Plus, picked up tips and tools to enter your idea for change into Samsung's tech for good competition.

STUDY REQUIREMENT

2 weeks, 2 hours per week

LEARNING OUTCOMES

- Reflect on how you use technology to connect digitally and how this makes you and others feel
- Identify tangible actions that you can take to contribute to overcome this challenge
- Develop practical skills on how to communicate effectively, collaborate with others, think critically and formulate a creative solution

SYLLABUS

Week 1 covers a range of topics on the theme of using technology to overcome isolation in a digital world. These include: how COVID-19 has impacted social isolation, why being more digital means being more human, and the highs and lows of digital connections during lockdown.

Week 2 covers how we can connect truthfully online with Matteo Bergamini, how to change lenses in a digital world with Rachel Monteagudo, and hear thoughts from Lady Leshurr.
